
Recombinant Human IgE protein

Catalog Number: bs-41839P

Species: Human

Purity: >90% as determined by SDS-PAGE

Applications: Isotype Control, Blocking Assay, etc., Conjugate-Dependent.

Storage: Stored at -70°C or -20°C. Avoid repeated freeze/thaw cycles.

VALIDATION IMAGES

The purity of the protein is greater than 90% as determined by reducing SDS-PAGE.
