
Recombinant Human IgA1 protein

Catalog Number: bs-41840P

Species: Human

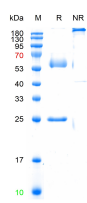

Form: Liquid

Applications: Isotype Control, Blocking Assay, etc., Conjugate-Dependent.

Storage: 10mM PB, 150mM NaCl (pH=7.4)

Stored at -70°C or -20°C. Avoid repeated freeze/thaw cycles.

VALIDATION IMAGES

The purity of the protein is greater than 90% as determined by reducing SDS-PAGE.
