
Recombinant Human IgG2 protein

Catalog Number: bs-41845P

Species: Human

Purity: >90% as determined by SDS-PAGE

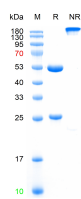

Form: Liquid

Applications: Isotype Control, Blocking Assay, etc., Conjugate-Dependent.

Storage: PBS (pH=7.4)

Stored at -70°C or -20°C. Avoid repeated freeze/thaw cycles.

VALIDATION IMAGES

The purity of the protein is greater than 90% as determined by reducing SDS-PAGE.
